NOTES:

- 1.) First game of the day: Make sure your team representatives are at the field 30 min early to set up goals and cones.
- 2.) Last game of the day: Make sure goals & equipment are put away. GOALS MUST BE SECURELY LOCKED UP INSIDE THE BOX!
- 3.) PLEASE make sure all garbage is picked up after your game. We will lose the use of fields if we leave them dirty.
- 4.) NO PETS allowed at the fields at any time! This could also result in a loss of field use if this league/school district rule is violated!
- 5.) Let's practice good sportsmanship! Don't 'run up' the score. If your team is up by 5 goals, start passing more, pull a player, etc.
- 6.) Above all, let's make sure the kids have fun in a safe & friendly environment. Remember, we are here for THEM, not ourselves!
